

July 12-13: Defend abortion rights & take a stand for choice!

Protest the “Pro-Life” Action League!

The “Pro-Life Action League” (PLAL) is an extremist anti-choice group that is determined to see abortion rights repealed in the U.S.

PLAL founder Joseph Scheidler has a history of participating in violent anti-choice protests at clinics, and harrasing women seeking abortions.

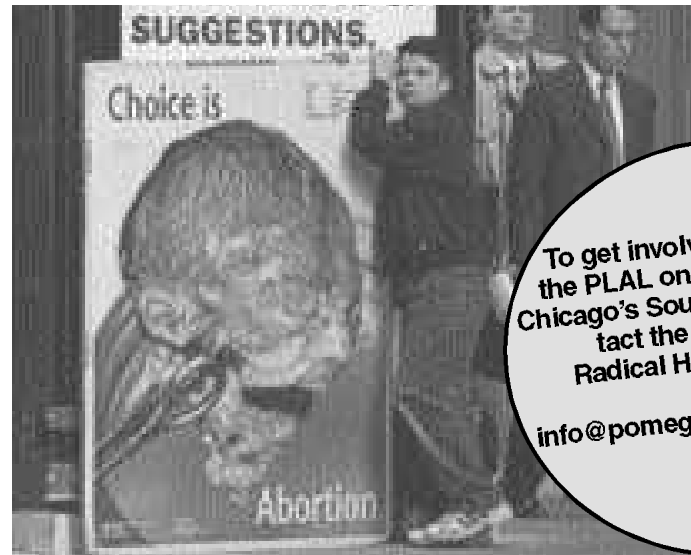

The PLAL calls abortion “infanticide,” favors banning all forms of birth control, and calls homosexuality a “sickness” and a “perversion.”

On Wednesday, July 12 and Thursday, July 13, the PLAL will be bringing their “Truth Tour” (giant, doctored pictures of supposedly aborted fetuses) to downtown Chicago.

COME SHOW THE PLAL THAT CHICAGO SUPPORTS WOMEN’S RIGHTS! Don’t let their hate go unopposed.

Bring large pro-choice placards and banners to help cover their signs. Bring bullhorns and voices to drown out their right-wing hate.

Show the PLAL that we won’t go back to the days of back alley abortions!

Graphic, faked pictures of supposedly aborted fetuses are on display during the PLAL “Truth Tour” in April 2006.

To get involved in protesting the PLAL on Tues., July 11, on Chicago’s South side, please contact the Pomegranate Radical Health Collective:
