

# **Fight Corporate Greed -- Come to Meredosia, Illinois to support Locked out Workers at Celanese**

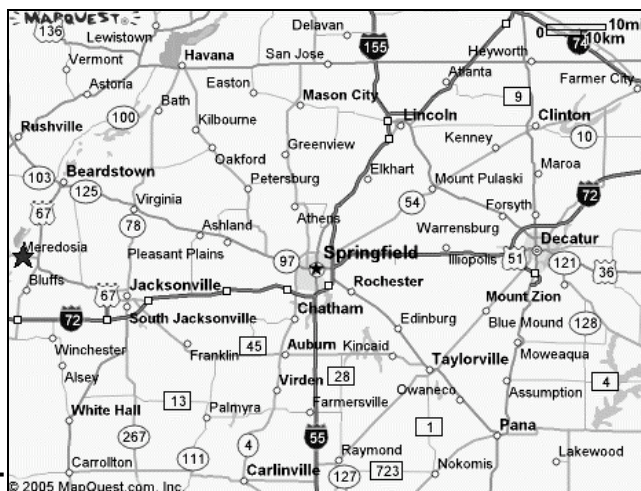

We, the members of Boilermakers 484 have been locked out by a very profitable corporation, Celanese. The company has brought a private army, the SRC Corporation, to our town to break us. We and our families, including our children, are videotaped at our homes every day, in an attempt to provoke us to commit violence.

We need your support. Come to our Labor Day rally to help us show Celanese that the citizens of Illinois will not stand by while corporate greed takes over this country.

**Event begins at 1:00 p.m. on Monday September 5th  
Speakers include Margaret Blackshere, Pres, Illinois AFL-CIO**

**Special Guest: Anne Feeney, labor singer and  
hellraiser**

**"Anne Feeney is the best labor singer in North  
America." -- Utah Phillips**
