

On the 4th anniversary of the war . . .

Stop Funding War and Occupation! Troops Home Now!

Tuesday, March 20, 2007

IF YOU'RE CRITICAL OF THIS WAR but have never taken part in an anti-war action, now it's more important than ever to participate.

HUNDREDS OF THOUSANDS HAVE DIED, including over 3,000 US soldiers and as many as 650,000 Iraqis – with those numbers growing daily.

AMERICANS HAVE PAID roughly half a trillion dollars for the war – including over \$20 billion from Illinois residents – all funds that could instead have funded access to quality health care, housing and education. And leaders from both parties have vowed to keep the dollars flowing.

THE U.S. GOVERNMENT CONTINUES TO BANKROLL the brutal occupation of Palestine, support Israeli aggression in Lebanon, continue its 5 year invasion of Afghanistan, and threaten further wars against Iran and Syria.

TAKE A STAND. Tell the government we want money for human needs, not war and corporate greed.

Important Note: This item is designed to produce an 11" x 17" poster. That is why the margins appear "wrong." To produce the 11" x 17" poster, simply put this in a copier and set the "enlarge" function to 155% and set the paper size to "ledger." Voila--you get an 11" x 17" poster. (Please note that if your copier is one of the handful on the market that has an automatic image centering mechanism, this default needs to be disabled in order to print the poster properly).
