**JUST TRY

On **October 8th**, Demand an **END** to
America's Longest War!

U.S./NATO Out of Afghanistan NOW!

OCTOBER 2011 is the 10th anniversary of the United States invasion of Afghanistan -- America's longest war. Polls show that most Afghans want the U.S. to leave -- and most Americans agree.

We spend as much on our military as the rest of the world combined -- 67% of the federal budget, nearly double what we spent

before 9/11 -- yet politicians of both parties say we must cut Social Security, Medicare and public workers' wages to fix the economy.

On the 10th anniversary of America's longest war -- the invasion of Afghanistan -- join us to march on Chicago's Obama 2012 National Campaign Headquarters to demand an end to the wars abroad!

**Politicians...

when people
take to the
streets!**
