

## Lavon Affair and Other Attacks on America

By Michael Treis

What is the only government in the Middle East that has made attacks against the United States of America? Israel. Israel has attacked and blown up American targets both civilian & military and has maimed and murdered many Americans. Most Americans have no idea of these attacks because Zionist controlled mass media refuses to tell the people.

The first attack occurred in the 1950's and was known as the Lavon affair. Israel sent terrorists to bomb American movie theaters and libraries in Egypt. In an unusual twist of fate one of the bombs didn't go off, it allowed the capture of the entire terrorist group. This act was far worse than a single attack on an American target, it was meant as a false flag operation to start a war against a friendly nation Egypt; a war that would have cost billions of taxpayer dollars and thousands of American lives. Was a retaliatory strike ordered by the US President? No we just shipped more funds to help keep Israel afloat and more bombs to commit more terrorist acts with.

In more recent years Israel held award ceremonies to honor the terrorists that carried out the Lavon affair. In fact the Israeli President Moshe Katzav himself awarded medals of Honor to

Moshe Dayan & Meir Max Bineth and others that bombed American installations and called them "heroes." Not one person in mainstream mass media condemned Israel awarding such honors to terrorists that attacked and bombed American interests.

June 8th 1967 Israeli Mirage fighters dropped napalm and strafed the *USS Liberty*. Israeli torpedo boats fired on the *USS Liberty* for over 3 hours also strafing escape boats. Rear Admiral

Geist commanding the carriers in the 6<sup>th</sup> fleet sent planes to aid the USS Liberty but, US Defense Secretary Robert McNamara ordered him to recall planes. Admr. Geist said he would have to have confirmation from the president to do that and President Lyndon B. Johnson got on the radio Admr. Thomas Moore, head JAG Officer captain Ward Boston Jr. JAGC USN Ret. (who was ordered to falsify the report) and Commander William McGonagle of the USS Liberty said LBJ stated over the radio "I want that g..damn ship going to the bottom" recalling all the planes. All this was in an effort to blame the attack on Egypt so as to start a war with them. Fortunately a Russian trawler (KGB) arrived on the scene providing too many witnesses and the attack was called off by Israel. The killing of 34 and wounding of 171 Americans, no charges OR APOLOGIES, have ever been made or given. President Lyndon Johnson privately decorated some survivors quietly and out of site of the media. This support for Israel's cruel and vicious attack on an American ship, for over three hour, by our President, was only the tip of the iceberg.

Did that make the President respond to another vicious attack with a retaliatory strike on Tel a Vive or order sanctions? No we still sent tens of tens of billions of taxpayers' dollars and more bombs for them to pitch our way.

The most damaging spy case in the history of America was the Jonathan Pollard Israeli

spy case. This case caused the torture & deaths of 100's of American agents in Eastern Europe.

Truly the only enemies in the Middle East are ones we made by betraying them and by supporting the terrorist state of Israel; which has brutalized the Palestinians and other people in the Middle East for over 50 years.

It is NOT in the best interests of America to support the terrorist state of Israel and turn our backs on the Arabs, former great allies in the Middle East prior to WWII. Allies that can so readily supply energy needs we would be hard pressed to throw away, and for what?

Zionism is not just a threat to the Palestinians, the Lebanese, the Syrians, the Iranians, it is a threat to the very American way of life and we the people. Kind of strange, that most Americans haven't a clue about Israeli attacks on America; it just shows who controls America's mass media. Israel is NOT a friend of the United States or of our Christian heritage either.

As a minister and watchman I take my job very seriously and would never lie about such things because I don't want people's blood on my hands for not warning them. Now for the real big one, 9-11, yes this too was An Israeli false flag operation. I can prove it! There were four samples of dust from four separate locations sent to Professor Steven Jones PhD. who was then head of Brigham Young University's physics & astronomy departments. Professor Jones was able to analyze them using their electron microscope and other methods to identify both unexploded Thermate as well as the residue from that which had exploded. Thermate is a military version of Thermite and the patent is held by the US Department of Defense and uses nano-aluminum at a cost of \$1500 a pound. Its particulate matter will range from 10-100 nano-meters 1000 times as small as a human hair. Aluminum used in common explosives costs between 9-15 dollars a pound depending where it is obtained and the quantity purchased. There are only three places in the world to obtain it; a company in Florida, one in France and the third in Israel.

**Fig. (1).** Map showing collection locations of dust samples analyzed in this study with respect to the location of the WTC complex (marked area near location 1). 1: MacKinlay (113 Cedar St./110 Liberty St); 2: Delessio/Breidenbach (Brooklyn Bridge); 3: Intermont (16 Hudson St); 4: White (1 Hudson St). (Base map courtesy of <http://www.openstreetmap.org>; copyright terms at <http://creativecommons.org/licenses/by-sa/2.0/>).

There was a good chain of evidence maintained on the samples sent to Dr. Jones

(Fig 1) Photomicrographs of red/gray chips from samples 1-4 of the WTC dust involved in this study, shown in (a)-(d) respectively. The inset in (d) shows the chip edge on, which reveals the gray layer. The red/gray chips are mounted on an aluminum pedestal, using a carbon conductive tab, for viewing in the scanning electron microscope (SEM).

(Fig 2) Spheres formed during ignition of red/gray chip in DSC, with corresponding typical XEDS spectrum (although spheres with predominately iron and some oxygen are also seen in the post-ignition residue).

I would like to add the corroboration by R J Lee Company on WTC dust from Deutsche Bank December 2003 “Various **metals** (most notably iron and lead) **were melted** during the WTC event, producing spherical metallic particles. Exposure of phase to **high heat results in the formation of spherical particles** due to surface tension...)phase to **high heat results in the formation of spherical particles** due to surface tension...)

(Fig. 3) Shows both inactivated Thermate and activated Thermate with an iron sphere.

### Dr. Jones' Results

Given the mix of trace metals present in anomalously high concentrations in the WTC dust such as zinc, copper and manganese and, and the formation of iron-aluminum-rich spherules...

it is clear that significant aluminothermic reactions occurred, with likely ingredients to include powders of aluminum, iron oxide, copper oxide, zinc nitrate, and potassium permanganate.

### Nano-thermite aka Thermate: "extremely fine mixing of ultrafine aluminum and iron oxide"

Lawrence Livermore Lab

- Left: "Transmission electron micrograph of a sol-gel incorporating  $\text{Fe}_2\text{O}_3/\text{Al}$  (thermite) nanocomposites illustrates the extremely fine mixing of ultrafine aluminum and iron oxide."
- Nano-thermite is explosive!

Efraim Halevy was head of Mossad from 1998-2002 and now works for

Michael Federmann, owner of Federmann Enterprises the largest shareholder of the Israeli defense company Elbit, which has numerous subsidiaries and does an amazing amount of business with the U.S. military and government and developed the gel-sol form of Thermate that was found in the dust of 9-11.

Shimon Peres best friend, Arnon Milchan, is the owner of one of Israel's largest chemical companies. Obtaining nano-size iron oxide and aluminum to create super-Thermite is no problem for an old weapons smuggler like Milchan, who smuggled nuclear triggers to Israel in the 1980s.

Columns cut by Thermate like the one above photographed on Sept. 12<sup>th</sup> 2001 were found sticking up all over Ground Zero. I have documented absolutely that all three buildings were brought down by a controlled demolition on 9-11 in my book *9-11 Tragedy and Treason*.

Until President George W. Bush appointed him Undersecretary of Defense and Comptroller of the Pentagon, Rabbi Dov Zakheim was Chief Executive Officer of the System Planning Corporation's International Division. He co-authored an article entitled "**Rebuilding**

**America's Defenses: Strategy, Forces and Resources for a New Century" which was published by The Project for a New American Century in September 2000, a year before 9/11. On page 51, it is stated that "the process of transformation, even if it brings revolutionary change, is likely to be a long one, *absent some catastrophic and catalyzing event - like a new Pearl Harbor*"!**

System Planning Corporation's main claim to fame is the Flight Termination System (FTS), **which allows the takeover of an aircraft prior to flight or in flight. It allows the remote control of up to eight planes by one controller and was in place two years BEFORE 911.**

Yes the Israeli Mossad was involved in the events of September 11<sup>th</sup>, 2001 up to their eyebrows. Bush surrounded himself with Neo-conservative Zionists that held dual citizenship with Israel such as Paul Wolfowitz, Richard Perle, Bernard Lewis and William Kristo and Dov Zakheim, also Sen. Charles Schumer, Rep. Cantor and of Course Rep. Barney Franks. Likewise Pres. Obama Soetoro Chief of Staff Rahm Emanuel former Israeli Defense Force. All working together for a "War on Terror" for the destruction of the Arab and Muslim countries for the formation of the "Great State of Israel" as planned in 1950 where there is no Iraq there is no Iran, there is no Syria, no Palestine etc. just Israel. The Zionist that control Israel are using the US military as its police force to destroy its enemies and bring US into a "New World Order" with them in command.

If we don't wake up and get these Neo-conservatives Zionists that hold dual citizenship with Israel out of our state department, cabinet, Congress and Senate we are doomed from ever being a free Republic again. Much of this we have brought on ourselves by not following God's laws. The Almighty has a way of chastising His people for not following His will. We are doomed to a one world government with them in control; it's here now breaking down the doors.

There is but one hope:

**"2Ch 7:14** If my people, who are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

I pray all will come to repentance and except Yahshua Messiah most know as Jesus Christ. Choose well whom you will serve!
